

Mennen's Toilet Powder is the Shining Mark of Success

which every imitator aims at. But Mennen's Toilet Powder remains inimitable despite of all false boasts "as good as Mennen's."

Mennen's Toilet Powder made its fame by its superiority. It holds its fame by this same inimitable quality. There is nothing like Mennen's. There could not be, because no one else knows the secret of the Mennen powder and the processes of manufacture. Therefore no "imitation" has been more than a surface imitation, superficial, spurious and fraudulent.

Under the provisions of the new pure food and drugs law every box of Mennen's bears the serial number designated by the government, a guarantee of purity and of protection to every purchaser and user of Mennen's Toilet Powder.

To give absolute protection to all users of Mennen's, the company has patented a non-refillable box—"The Best That Is." In fact, Mennen's is for your own protection.

Have you tried Mennen's Violet Scented Toilet Powder? Ladies partial to violet perfume will find Mennen's Violet Scented Toilet Powder with the odor of fresh-plucked Parma violets. For sale everywhere for 25 cts. By mail, postpaid, on receipt of price. Sample free.

EGG-STRADINARY APPETITES.

How Some Willamette Loggers Enjoy Their Meals.

There were four husky loggers from up the valley in the city yesterday.

They evidently came down for a good time and they sure were having it. The Journal man did not run across them until late in the afternoon and then they were in the White House restaurant. They were not out for style, and there was no champagne, but they had a bottle, a large size one full of red appetizer, that was certainly the genuine stuff, for after a couple of jolts all around the proceeded to do business with the bill of fare. They had evidently missed Easter and were determined to even up, and all ordered eggs. They ate eight apiece, and then two of them switched and took in a regular order. The other two, however, wanted more hen fruit, and proceeded to get it. One of them quit when he had surrounded twenty, besides taking in the side dishes of potatoes, six hot rolls, pudding, pie and two cups of coffee, but the other who had evidently been around some gambler's grooms some time, said he would make "21 or bust," and he didn't "bust." The four got around 57 eggs—four very fair "set-tings." Such conduct as this is discouraging even to the most optimistic. Oregon hen and coupled with the recent inclement weather is calculated to make the golden centered egg both scarce and costly. How any man with 21 eggs under his vest could meet even a rooster without taking off his hat and apologizing is beyond the pen of a newspaper reporter, and how he could face a hen with 30 days of her hard work tucked away in his system and not blush cannot even be imagined. Its a ten to one shot when daylight came this morning, that two of those loggers cackled and the other two crowded.—(Salem Journal).

Because it's for One Thing Only, and Astoria People Appreciate This.

Nothing can be good for everything. Doing one thing well, brings success. Doan's Kidney Pills do one thing only.

They cure sick kidneys.

They cure backache, every kidney ill. Mrs. A. Canavan, of 230 Lincoln Street, Portland, Ore., says: "I was led to recommend Doan's Kidney Pills three years ago, from the great relief I had found in a case of kidney complaint which had annoyed me for a long time. I tried other remedies previously, but Doan's Kidney Pills were the only remedy that helped me. My trouble had lasted for about three years, during which time I suffered from irregular action of the kidneys and backache. At times I was in such misery with the aching and weakness that I could not read in any position. I suffered from headaches and dizziness and could hardly attend to the simplest of household duties. Doan's Kidney Pills freed me from this miserable existence, and I have never lost an opportunity to recommend the remedy.

In fact, I gave a public testimonial in 1903, which I am glad to repeat and confirm."

Plenty more proof like this from Astoria people. Call at Chas. Rogers drug store and ask what customers report.

For sale by all dealers. Price 50 cents. Foster, Milburn & Co., Buffalo, New York, sole agents for the United States.

RIGHT BREATHING CURES CATARRH

Simple Way to Kill Catarrhal Germs in Nose, Throat and Lungs.

If you cut your finger, you don't attempt to heal it by swallowing a pill or a dose of medicine.

It is just as foolish to try and cure catarrh of the nose and throat with pills and stomach draining, for catarrh is a local disease, and needs special local healing treatment.

The only natural and common sense method known for the cure of catarrhal troubles is Hy-o-mel. It is breathed through an ingenious pocket inhaler, so that its medicated air reaches the most remote air-cells of the nose, throat and lungs, killing all catarrhal germs, soothing the irritated mucous membranes, and restoring a healthy condition.

If you suffer from catarrhal troubles, such as offensive breath, raising of mucous, frequent sneezing, husky voice, discharge from the nose, droppings in the throat, loss of strength, spasmodic coughing, or a feeling of tightness across the upper part of the chest, you should begin to use Hy-o-mel at once. It will destroy all disease germs in the nose, throat and lungs, and provide the blood with additional ozone.

The complete Hy-o-mel outfit with inhaler costs but \$1.00. So strong is T. F. Laurin's faith in the power of Hy-o-mel to cure all catarrhal troubles that with every dollar outfit, he gives an iron-clad guarantee to refund the money unless the remedy gives satisfaction.

Columbus had just landed. Meeting a great Indian Chief with a package under his arm, he asked him what it was. "Great Medicine, Hollister's Rocky Mountain Tea" said the Indian. Price 35 cents, Tea or Tablets.
